AWARDS

American Advertising Award

Senior Thesis Animatic: Taking a Chance

CAREER RELATED ACTIVITIES

DevPoint Labs, Las Vegas, NV

- Learned multiple coding languages and built many apps/sites.
- Made a website using Ruby on Rails for final project called stagestardom.com, a social media site for theater fans and directors. Users can post auditions and start blogs. The website is currently live.
- Incorporated graphic design skills into app and web designs.

University of Dubuque, Dubuque, IA

- Created an animatic called "Taking A Chance" for Senior thesis. Had it debuted in the UD Senior Thesis Gallery. Was awarded a silver American Advertising Award by Dubuque Iowa's American Advertising Federation when entered into their annual AA Awards Show, 2019.
- Made two digital art pieces, "Mythical Blue" and "The Final Show." Both debuted in the UD Annual Edge Gallery.
- Animated a short video of a black cat photobombing famous art pieces and made two art pieces called "Day Dreams" and "Character Meld." All debuted in the annual Fall into Art Gallery, a gallery that features art in the Dubuque area.

Classic Cinemas, Saint Charles, IL

- Designed window art for the box office and Managers' office window.

2ysrwe Tutoring, Henderson, NV

- Designed the logo for mother's ex tutoring business.

Larkin High School, Elgin, IL

- Designed three buttons during Senior year. The Senior homecoming, The wrestling team, and the basketball team.
- Volunteered to facepaint for the annual Connie-A-Thon, a funfair/fundraiser to help cover the medical expenses of ill students.

WORK EXPERIENCE

Precision Opinion, Las Vegas, NV

Research Associate

September 2019- Present

- Makes calls to multiple people a day to get them to participate in many surveys.
- Has done mystery shopper calls for a client.
- Has helped gather data for research studies.

Apollo Eyewear, Saint Charles, IL

Graphic Designer/Office Assistant

February 2019- July 2019

- Designed displays, flyers, and instruction sheets.
- Created a die-cut for a spinning display.
- Took pictures of products and photoshopped them in Adobe.
- Managed the company website by adding new products and making edits when necessary.
- Did general office work by answering phones, running errands, and helping with product orders.

Ross Dress For Less, Bloomingdale, IL
